Technical Training Scheme - Medical Examination of War Technicians.

General and Revenue Secretariat | W File No. 69 of 1940. | [App. F. III-2

Serial No. 1

From The Secy to the Hon'ble the Resident F. 61-40/W dated 30th May 41 forwarding a copy of letter from the Labour Dept and requesting to be informed of the arrangements which this Govt proposes to make re. medical examination of War Technicians.

At present the Labour Dept Scheme for the training of War Technicians is being worked in the Engineering College, Bangalore and Para 2 of the PWD states that the Residency Surgeon has already made arrangements to conduct the medical examn of candidates now undergoing training at the Engineering Clg. Sanction has been conveyed by the Govt of India to the training of 200 Technicians at the Engineering Clg and the present strength is about 170.

Recently sanction has been conveyed to the application of the above Scheme to the Bharavathi Iron Works (40 trainees) and the Govt Workshop Bangalore (48 trainees). The training in the above institutions has not yet commenced and perhaps admissions are being made just now. If the proposal that this Govt should instruct their medical officers to conduct free of charge the medical examn of all trainees, is agreed to, the number of students will be 40 students at Bharavathi

NOTE—Contn. Sheet.

214/W Technical Training Scheme - Medical Examination of War Technicians.

W File No. 69 of 1940-1 | General and Revenue Secretariat

Serial No.

48 students at the C. I. Workshop are future trainees at the Engg. College Bangalore.

It is seen from the endorsement to the Resy letter (Paras 3 & 4) that all charges on account of these medical examns should be met from the funds already placed at the disposal of the National Service Labour Tribunal and a copy of the Labour Dept letter has been sent to the Principals of Institns and the Controlling authorities of other training Centres.

In view of Para 3 of the Labour Dept letter, it is a point for consideration whether this Govt should take up the medical examn of all trainees, free of charge. In the case of Bangalore trainees, perhaps the Resy Surgeon himself may be asked to make the necessary arrangements, as he has done for the candidates now undergoing training.

Perhaps in the case of the 40 trainees at Bhadravathi, this Govt may agree to conduct free of charge the medical examn by the Medical officer of the Iron Works the Genl Manager, Iron Works, being requested to intimate direct to the Medical officer, as soon as the admissions are made

Examns carried out at the State:

Technical Training Scheme - Medical Examination of War Technicians

Serial No.

If the proposal to conduct, free of charge the medical examn of all trainees at the Engg. College, C.I. Workshops and the Iron Works, is agreed to, the Senior Surgeon has to be consulted as to the M.O who may be instructed to conduct the examn at Bhadravathi and Bangalore. The M.O's may perhaps conduct the examn in direct consultation with the respective Heads of Institutions concerned, as soon as arrangements are made. Subd for prosd and orders.

RS 2/6

There is also a proposal to train candidates in the Railway workshops.

The Residency may perhaps be told that this Govt. would arrange for the medical examination of candidates at Centres other than Bangalore, free of charge

(For orders)

For the candidates at Bangalore, the Residency Surgeon may perhaps be requested to do this work as heretofore (both for the Engineering College as also the C.I.W.). ~~If this be deemed unnecessary,~~ arrangements may be made for examination of these also by our ~~Medical officers free of charge~~. The S.S. may be connected re: the Med. Officer to do the

THE SECRETARY TO THE HON'BLE THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

CHIEF SECRETARY. 31. MAY 1941 GOVT. OF MYSORE.

Dated Bangalore, the 30th May 194

Technical Training Scheme - Medical examination of War Technicians.

SIR,

I am directed to forward a copy of a letter from the Government of India, Labour Department, to all Chairmen of National Service Labour Tribunals, No.TR117, dated the 18th/19th February 1941, and to request that, if there is no objection, the Government of Mysore will be so good as to instruct their Medical Officers to conduct, free of charge, the medical examination of all trainees as soon as possible after their admission to the technical institutions or training centres in the Mysore State.

2. As the Residency Surgeon, Bangalore has already made arrangements to conduct the medical examination of candidates now undergoing training at the Engineering College, Bangalore and the Indian Institute of Science, no action need be taken in respect of these candidates.

3. I am to request that this Residency may kindly be informed of the arrangements which the Government of Mysore propose to make in this connection.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.

KRly

Copy of a letter from the Government of India, Labour Department, to all Chairmen of National Service Labour Tribunals No.TR117, dated the 18/19th February 1941.

----:0:----

I am directed to refer to this Department Memorandum No.TR58, dated the 21st December 1940, regarding the medical examination of candidates under the Technical Training Scheme at technical institutions and training centres. It has now been decided subject to the provisions of paragraph 2 that all trainees should be medically examined at the institutions or other training centres to which they have been allotted after they have reported for training and that these examinations should be carried out by the medical officers appointed to carry out the medical examination of technical personnel under section 5(7) of the National Service (Technical Personnel) Ordinance read with rule 12 of the National Service (Technical Personnel) Rules 1940 in accordance with the terms sanctioned in this Department letter No.TR3(1), dated the 1st November 1940. I am accordingly to request you to be good enough to instruct the medical officers concerned to visit the institutions and training centres to which trainees have been sent in consultation with the Principals or other controlling authorities and arrange to examine them as soon as possible after their admission The only requirements are that the trainees should be physically and mentally fit and able bodied and that their acuity of vision should be 6/9, 6/12, with or withot glasses (distant vision). The medical officersshould record the word 'fit' against the name of each candidate who is found fit after examination in the roll of candidates maintained by the institution or training centre. Trainees who are unfit should be discharged and all vacancies so caused should be reported to the Tribunals so that they can be filled by other candidates. Trainees who are discharged as unfit should be paid travelling allowance to their homes at the rate of one single third class Rail or Steamer fare plus one anna per mile for road journeys if the distance from the training centre exceeds five miles.

I am

I am to add that the medical examination at the commencement of training will not exempt trainees from further examination on the completion of their training in accordance with the standard laid down for the Service or Department (if any) to which they may be allotted. In this connection your attention is invited to paragraph 12 of "Instructions to Principals of Technical Institutions".

2. In certain Provinces, Tribunals may find it convenient to have candidates medically examined at the time of selection or before admission to training centres under arrangements made in consultation with the Technical Recruiting Officer. The Government of India have no objection to this procedure provided the Principals or heads of the training centres concerned are informed and that it involves no additional cost.

3. All charges on account of these medical examinations should be met from the funds already placed at the disposal of Tribunals for the current financial year.

4. A copy of this letter is being sent to the Principals of all technical institutions and the controlling authorities of other training centres for their information and guidance.

VN

Technical Training Scheme - Medical Examination of War Technicians.

In continuation of this office letter No.258/W dated the 16th June 1941 on the above subject, I am directed to state that the Senior Surgeon in Mysore has reported that the undermentioned Medical Officers have been entrusted with the medical examination of War Technicians at Bhadravati and Mysore:-

1. Bhadravati:- (a) Mr. S. Vasudeva Rao, M.B.B.S.,D.O.M.S., Asst. Surgeon, McGann Hospital, Shimoga.

(b) Mr. T.C. Chandrasekharan, L.R.C.P.,M.R.C.S. Asst. Surgeon, Iron Works Hospital, Bhadravati.

2. Mysore:- (a) Mr. A.M. Ponnambalam, B.A.,L.M.S.,D.O.M.S., Surgeon, Krishnarajendra Hospital, Mysore.

(b) Mr. T.D.V. Krishnan, F.R.C.S.(Eng.), Asst. Surgeon, Krishnarajendra Hospital, Mysore.

I have the honour to be,
Sir,
Your most obedient servant,

For Chief Secretary to Government.

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Dated Bangalore, the 4th July *194* 1.

Technical Training Scheme - Medical Examination of War Technicians.

SIR,

I am directed to acknowledge with thanks the receipt of your letter No.258/W, dated the 16th June 1941, and to request that, if there is no objection, instructions may kindly be issued urgently to the Medical Officer concerned to conduct the medical examination of the candidates undergoing training at the Mysore Iron and Steel Works, Bhadravati, in consultation with the General Manager of the Works. The National Service Labour Tribunal, Madras has informed this Residency that the training courses at this centre have already commenced from the 1st July 1941 and that it is desirable that arrangements for the medical examination of the trainees should be made as early as possible, in order to avoid unnecessary expenditure in the event of candidates being declared unfit at a later stage of their training.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.

CHIEF SECRETARY 8 AUG. 1941 GOVT. OF MYSORE

Dated Bangalore, the 5th August *194* 1

Technical Training Scheme - Medical examination of War Technicians.

SIR,

I am directed to say that the Government of India have decided that the medical examinations of War Technicians should ordinarily be carried out by Civil Surgeons and that where no Civil Surgeon nor an officer of corresponding status is available, the examinations in question should be undertaken by Assistant Surgeons.

2. I am to request that, if there is no objection, similar arrangements may kindly be made for the medical examination of candidates at Bhadravati and Mysore which

the

the Government of Mysore have been good enough to undertake.

I have the honour to be,

CHIEF SECRETARY, 16 AUG 1941, GOVT. OF MYSORE

From

V. V. MONTEIRO, Esq., M.B.B.S., F.R.F.P.S. (Glas.) L.D.S. (Eng.),
Offg. *Senior Surgeon with the Government of H. H. the Maharaja of Mysore.*

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I With reference to your letter No.W.518/W.69-40-10 dated 11th August 1941, re: medical examination of war technicians in Mysore and Bhadravathi, I have the honour to inform you that Mr. A.M.Ponnambalam, holds the status of a Civil Surgeon and Mr. T.D.V.Krishnan though a junior in service, holds high qualifications and is a suitable officer for undertaking the medical examination of war technicians.

As regards the medical examination in Bhadravathi, I may note that Mr. T.C. Chandrasekharan, Assistant Surgeon is acquainted with this work, as I gather that a system of compulsory medical examination of all employees has recently been introduced at Bhadravathi.

In these circumstances, I am of opinion that the officers proposed in my letter No.G.C.507-5 dated 23-6-1941 are fully qualified to conduct the examination in the respective places.

I have the honour to be,

Sir,

Your most obedient servant,

Offg. Senior Surgeon.

To

The Secy. to the Resident.

Technical Training Scheme - Medical Examination of War Technicians.

Sir,

With reference to the correspondence ending with your letter No.F.61-40/W dated the 5th Aug. 1941 on the above subject, I am directed to invite reference to this office letter No.Pol.2184 dated the 28th June 1941 intimating the names of the Medical Officers deputed to conduct the medical examination of War Technicians at Mysore and Bhadravati. In Mysore an officer of the grade of Surgeon has been detailed for ~~xxxxdx~~ this duty, while the other officers though of the grade of Asst. Surgeons are all men possessing high qualifications. In the circumstances, the arrangements already made for this purpose are in the opinion of this Govt. quite suitable and in accordance with the general policy indicated by the Govt. of India in the matter.
